Website : romainvincens.com

Toulon, France

Skills :

Training / Education :

2022 : Baccalauréat STI2D (ITEC option)
Rouvière high school, Toulon

2022 · 2025 : IT Bachelor's (MMI),
Apprenticeship (Toulon)

Languages :

Français · Native

Anglais · Fluent

Italien · Basic proficiency

Means of transportation :

Driver's licence

About me :

Recently graduated with a Bachelor's degree in IT (MMI), I am looking for a company where I can thrive, grow, and contribute. Passionate about front-end development, UX/UI design, and all things creativity, I am eager to bring my skills, learn from new challenges, and collaborate with a dynamic team.

My experiences :

(2022 · 2024) Front-end Developer and UX/UI Designer Apprentice at Canari Studio

- Front-end development and integration (HTML/Twig, CSS/SCSS, JS/GSAP)
- Wireframing and prototyping (Figma)

(2024 · Present) Front-end Developer Apprentice at Oreca Motorsport

- Front-end development and integration (HTML, Less, JS)

(2024 · Present) Freelance Front-end Developer and UX/UI Designer

- Front-end development and integration (Prismic CMS, HTML, SCSS, JS/GSAP)
- Wireframing and prototyping (Figma)
